My name's Mary. I have lots of mates at school, but one of them is special to me. I have a great relationship with my close friend, Sue. Having a friendship with Sue makes my life easier because she always backs me up when I need her. She also never tells lies to me and she likes sharing everything with me.

We have a lot in common, too. We spend a lot of time together. We like playing volleyball, going skateboarding and watching movies. Every Friday, we go to the cinema together.
